Breast Cancer Aotearoa Coalition Inc

Entity Information

For the Year Ended 31st March 2022

Legal Name: Breast Cancer Aotearoa Coalition Incorporated

Other Name: BCAC

Type of Entity and Legal Basis: An incorporated society established under the Incorporated Societies Act 1908 and registered as a Charity on 3 April 2008.

Certificate of Incorporation: 1897085

IRD/Exemption Number: 95-344-461

NZBN: 9429043170364

Registration Number: CC22456

Mission

To make world-class detection, treatment and care accessible to all those affected by breast cancer in Aotearoa, New Zealand.

To provide information and support to empower those with breast cancer to make informed choices about their treatment and care.

To provide a voice for New Zealanders who have experienced breast cancer.

Structure

The BCAC operates according to a formal Constitution.

Managing Committee

The BCAC has a Managing Committee comprising: Chairperson, Deputy Chairperson, Secretary, Treasurer and further members as decided by the Society. Only Members of the BCAC may be Committee Members. Committee Members are appointed by majority vote at a General Meeting. There is no fixed term for Committee membership. If the position of any Committee Member becomes vacant between General Meetings, the Committee may appoint another Committee Member to fill that vacancy until the next General Meeting.

Membership

BCAC Members may be Ordinary, Corporate or Life Members. Individuals and groups, including other registered charities, interested achieving the BCAC's mission make up the membership. A register of members is kept and is reported at the BCAC's Annual General Meeting.

Relationships to other entities

The BCAC operates as an umbrella organisation, representing and providing support and information to individuals and groups with an interest in improving outcomes for New Zealanders experiencing breast cancer. The BCAC has a coordinating role, facilitating communication and cooperation among its member groups.

Main sources of cash and resources

The BCAC's activities are funded by donations and grants from individuals, businesses, other charities, NGOs and government entities, bequests and interest on savings.

Main methods used to raise funds

This year BCAC received a Lotteries grant to support the maintenance of its website, distribution of the Step by Step resource pack, and liaison with member groups and healthcare providers. Public donations were received throughout the year and from Australian health and beauty company Le Reve. A project to investigate options for making BCAC's Step by Step support pack more accessible to Māori was funded an educational grant from pharmaceutical company, Pfizer. BCAC also received a bequest this year. The BCAC does not use a third party to raise funds. It does not charge a fee for membership and it does not require payment for the goods and services it supplies.

Reliance on volunteers and donated goods and services

The BCAC relies on gifts of volunteer time and expertise to administer the Society and to carry out its purposes, e.g. researching current evidence-based information about breast cancer detection, treatment and care and promoting and supporting such research; representing those affected by breast cancer in Aotearoa New Zealand to parliament, the health system, the scientific and medical communities, media, corporate entities and the general public; providing consumer input and representation at regional and national levels to the development of policies and strategies affecting those with breast cancer in Aotearoa New Zealand; and facilitating connections and networks of people and organisations sharing similar issues, concerns and experiences in relation to breast cancer.

INDEPENDENT AUDITOR'S REPORT

TO THE COMMITTEE MEMBERS OF BREAST CANCER AOTEAROA COALITION INC.

Report on the Performance Report

I have audited the performance report of Breast Cancer Aotearoa Coalition Inc. on pages 3 to 13, which comprises the entity information, the statement of service performance, the statement of financial performance and statement of cash flows for the year ended 31 March 2022, the statement of financial position as at 31 March 2022, and the statement of accounting policies and other explanatory information

Opinion

In my opinion:

- a) The reported outcomes and outputs, and quantification of the outputs to the extent practicable, in the statement of service performance are suitable;
- b) The performance report on pages 3 to 13, present fairly, in all material respects the entity information and service performance for the year then ended, and the financial position of Breast Cancer Aotearoa Coalition Inc. as at 31 March 2022, and its financial performance, and cash flows for the year then ended

in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit) issued by the New Zealand Accounting standards Board.

Basis for Opinion

I conducted my audit of the statement of financial performance, the statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance report in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)), and the audit of the entity information and statement of service performance in accordance with the International Standard on Assurance Engagements (New Zealand) ISAE (NZ) 3000 (Revised). My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Performance Report* section of my report. I am independent of Breast Cancer Aotearoa Coalition Inc. in accordance with Professional and Ethical Standard 1 (*International Code of Ethics for Assurance Practitioners (including International Independence Standards)*) (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Other than in my capacity as auditor, I have no relationship with, or interests in Breast Cancer Aotearoa Coalition Inc.

The Responsibility of the Management Committee for the Performance Report

The Management Committee are responsible on behalf of the entity for:

- a) Identifying outcomes and outputs, and quantifying the outputs to the extent practicable, that are relevant, reliable, comparable and understandable, to report in the statement of service performance;
- b) The preparation and fair presentation of the performance report which comprises the entity information, the statement of service performance, and the statement of financial performance, the statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance report, in accordance with Public Benefit Simple Format Reporting – Accrual (Not-For-Profit) issued in New Zealand by the New Zealand Accounting Standards Board, and
- c) For such internal control as the Management Committee determine is necessary, to enable the preparation of the performance report that is free from material misstatement, whether due to fraud or error.

In preparing the performance report, the Management Committee are responsible on behalf of Breast Cancer Aotearoa Coalition Inc. for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management Committee either intend to liquidate Breast Cancer Aotearoa Coalition Inc. or to cease operations, or have no alternative but to do so.

Auditor's Responsibilities for the Audit of the Performance Report

My objectives are to obtain reasonable assurance about whether the performance report is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the performance report.

As part of an audit in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised), I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the performance report whether due to fraud or error, design, and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting material misstatement resulting from fraud is higher than for one resulting from error, as fraud may be collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the use of the going concern basis of accounting by the Management Committee and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the performance report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the performance report, including the disclosures, and whether the performance report represents the underlying transactions and events in a manner that achieves fair presentation.
- Perform procedures to obtain evidence about and evaluate whether the reported outcomes and outputs, and quantification of the outputs to the extent practicable, are relevant, reliable, comparable and understandable.

I communicate with the Management Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Who I Report to

This report is made solely to the Management Committees, as a body. My audit work has been undertaken so I might state to the Management Committee those matters which I am required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Management Committee as a body, for my audit work, for this report, or for the opinions I have formed.
